Single: 1 Song

## SPECTRUM OF LIGHT

*Words & music by Markus Zosel*

There is so much joy involved when recording and presenting a new song. To make it complete you'll need the words to get the whole message. This service is presented to you free.

Listen to the song on the internet on any of your favourite download- or streaming site such as iTunes, Spotify, Deezer, Amazon. GooglePlay, Soundcloud, etc.

Now, sit right back and simply enjoy!

Lead me on  
To that spectrum of light!  
You won't find there  
Neither day nor night, nor night.

Take me there  
Let us all try to care then!  
Let me see  
With my heart not my eyes when they're sad.

Love of my life  
Why did I leave long ago?  
Where did you go  
Will you ever try to know? Try to know...?

We all go on  
To the place we belong to.  
And God only knows  
But it's us to be strong and faithful...!
