## Mulholland Drive (The Silver Lights)

*Words & music by Markus Zosel*

Silver sea of light to see.  
A roadside stop within me.  
Oh, take me there,  
Oh, take me there!

*Oh, take me there!  
Oh, take me there!*

A car ride through the early light,  
Electrolyte in front of my eyes  
It shines, shines in me.

From Hollywood up to the Hills.  
On a racing road winding still  
And all that used to be up there.

Take a ride,  
Take a ride,  
Take a ride to see!  
Take a ride,  
Take a ride,  
Cause you've already been  
Up on Mulholland Drive.  
Up above all the silver lights.

A silver sea of light to see.  
A roadside stop within me.  
Oh, take me there!  
Oh, take me there!

In distant layers of movie scenes  
The real approach turns into dream  
So soft, light and unbound.

Santa Monica Mountains in the East  
And REM echoing in my ears,  
Crossing ,Interstate 405‘  
*In silent drive.*

Take a ride,  
Take a ride,  
Take a ride to see.  
Take a ride,  
Take a ride,  
Cause you've already been  
Up on Mulholland Drive  
Up above all the silver lights...

*Oh, take me there!*  
*Oh, take me there!*  
*Gonna go up there again...*

## Long Beach

*Words & music by Markus Zosel*

Saw the seagulls flying  
Yes, we went there for quite a while.  
Heard the soft winds calling,  
This memory makes me smile.

Oh, the sands of Long Beach  
Heard all the words we said.  
Oh, the sands of Long Beach  
Still vow the pledges made.

So many places we travel,  
So many places we'll never know.  
So many goals we've just achieved  
To realise it's better to let them go.

Oh, the sands of Long Beach  
Heard all the words we said.  
Oh, the sands of Long Beach  
Still vow the pledges made.

Get a glimpse of sunshine,  
Feel the waters to wash you clean.  
Sense a love unmentioned  
And a need for all the ways unseen.

Oh, the sands of Long Beach  
Heard all the words we said.  
Oh, the sands of Long Beach  
Still vow the pledges made.

I saw the seagulls flying.  
Yes, we went there for quite a while.  
I heard the soft winds calling,  
And his memory makes me smile.

Oh, the sands of Long Beach  
Heard all the words we said.  
Oh, the sands of Long Beach  
Still vow the pledges made.

*Uuuh, the pledges made...  
Uuuh, the pledges made...  
Uuuh, the pledges made... right there.*

*And I remember that day on Long Beach...  
And I remember that day on Long Beach...*

## Maybe I Have Seen You

*Words & music by Markus Zosel*

Maybe I have seen you,  
Maybe I have not.  
It's been tremendous falling  
And it's been getting up.  
But we shall meet right next door again.

Many a time I promised  
And I did believe  
All the things you give by heart  
Is what you may receive.  
An answer may be found out there.  
It must be plain to see.  
And out there you just can be free.

Maybe I have seen you,  
Maybe I have not.  
It's been tremendous falling  
And it's been getting up.  
But we shall meet right next door again.

Maybe I have seen you,  
Maybe I have not.  
It's been tremendous falling  
And it's been getting up.  
But we shall meet right next door again...

*Right next door again...  
Right next door again...  
Right next door again - again...!*

## Somewhere In California

## Wide Open Roads

*Words & music by Markus Zosel*

On wide open roads I drive along  
And in my mind that brand new song  
Is giving one more chance to realise.

I love to roam so wild and free  
And love to see what I have not seen.  
The windshield offers many a dream to my eyes.

On wide open roads  
They've captured a dream.  
Bending on forever it seems  
And I'm that nameless traveler...  
*Going on - just going on...*

It comes to the point that you try to believe  
In many a wonder and gifts you've received.  
With the bending of roads it all feels so strange.

Well, I've got a song and a dream in my hands  
And it took me years to understand  
That this is the way I got to arrange.

On wide open roads  
They've captured a dream.  
Bending on forever it seems  
And I'm that nameless traveler...  
*Going on - just going on...*

Come into my arm this feeling is strong  
There always will be a road to go on  
In wonder and in dignity.

For man is not made to stay and to wait  
You gotta go to somewhere unknown  
And remember to leave a note.

On wide open roads  
They've captured a dream.  
Bending on forever it seems  
And I'm that nameless traveler...  
*Going on - just going on...*
